## Recent Events

Recently was the AVID write off. They had to describe ways that schools can curb cheating. Karina R. and Collin W. both did a great job describing this issue. Both Karina and Collins essays move on to the regional AVID completion. Runner ups were Logan D. and Ari W. Recently before the AVID

write off was the Red VS. Gold game. In this game the teachers went against the students. Just like last year the teachers won the students. The teachers beat the students by a whopping 10 points! The score was 42-32. Some of the teachers were pretty surprised on how well the students did actually

## Student Highlights
