Recent Events

Recently the 8th graders went on a field trip to the YHS to see how it will be next year. We got to visit classes and tour the campus with some of the student council members. Also the 6th graders went on there trip to Catalina. The students get to go snorkeling and also Kay-aking! Happy Birthday Lincoln! Last week we celebrated his birthday on February 10 and on Monday February 17 we celebrated presidents day which is also George Washington's birthday. Recently Digital Media has been doing projects. They have to do each project twice and those projects are: Podcast Peeps, Ezine Team, Edcast Crew, Interview @ Mesa View, and Joke Show Funnies. Digital Media is definitely busy but have fun with it.

Student Highlights

Just a little while ago Mesa View had a AVID write off. The winners hear at Mesa View were Karina R. and Collin W. Runner ups

were Logan D. and Ari W. Everyone did a fantastic job and Karina's and Collin Essay will be sent to the AVID regional Comp.

Upcoming Events

There are many events coming up. Soon on March 13, the 8th graders will be going on the Knott's Field Trip. They will go and do some work but after the students hard working they will get to go on rides and just hang out with all of there friends. Also coming up on March 7 is the spring dance. Any one going to Mesa View can go!

Tickets are only five dollars each and it is a ton of fun! There is food and you can get your picture taken. The food and pictures do cost extra but the dance is just amazing! You can request songs and dance all around. One other event coming up is the seventh grade STAR writing test. The 7th graders get two days to finish this test. It is from March 4 to March 5 and there should be plenty of time to finish.

Ms. LaFourcade

Before Ms. LaFourcade became a counselor she worked at Redlands University for 12 years. After working there she got a job at an elementary school in San Bernardino she had many crazy stories and was ready to move. She moved into Mesa View! And students are glad to

have her. We as some of Mesa Views students think Ms. LaFourcade is a great school counselor. She definitely is one of the best people to talk to and the feeling to know that people have someone to go to when they feel they have no one to talk to must be the best feeling for some kids here at MVMS.

Club Activities

There are many great clubs to join here at MVMS. A great one is book club done in room C111 at 2:30 on Thursdays. The Mountain Bike Club is another club on Thursday starting at 3:00. Wednesday

is Basketball Club during lunch down by the basketball courts. Destination Imagination club is also on Wednesday just as Mythology Club. There are many more clubs to join so why not try a club that suits you!

Run With the ZOMBIES 2014!

Run With the ZOMBIES takes place March 8, Shortly after Run with the Mustangs Which is on March 1. This run is to support the Community Foundation of Yucaipa Valley. Registration for the runners is 20\$ Per adult, 15\$ for kids from ages 5 to 12, 80\$ teams of 4/5, and 25\$ zombie fee to chase the runners!! There will be prizes for all zombies and runners. Music and food vendors will of course be

6th Grade Catalina Trip

February 19-21 the 6th graders are going to Catalina! The sixth graders are going to be Kayaking, snorkeling, night swimming, and so much more! Catalina is an amazingly beautiful island a few hours away from here. All the sixth graders are very excited about this. Have fun 6th graders!!
