## 8'th Grade Physics Day Field Trip

On Thursday, March 13 The 8'th graders are taking a field trip to Knott's Berry Farm for their Physics day field trip. Every 8'th grader that was eligible to attend this field trip has received a permission slip for this trip along with a chaperone's permission slip for any adult that wanted to chaperone this

event. Permission slips are due on Monday March 5'th along with a 25 dollar donation fee. Some scholarship funds are available for students. We are departing from the

school at 7:45 and planning to return at 5:30 pm. This fieldtrip will be highlighting STEM, and students will be able to experience physics in real world applications. Students will be using all four STEM components and rides at the park to complete tasks and questions. For more information call Mr. Lacey.

Saturday Mar. 8:  
Saturday school

Friday Mar. 15:  
End of Third quarter

Monday Mar. 17-  
28: Spring Break

## Bicycle Safety Fair

Last Saturday people attended the Bicycle safety fair at Mesa View Middle School. Put on By the Calimesa police department and the city of Calimesa. This event went from 10:00 am-1:00 pm (right after the 5K). Kids brought their own scooters, bikes, and helmets for free inspections and

adjustments. They were also able to try their skills and participate in the bicycle safety course. Some Lucky ones even got free

helmets While supplies lasted. People enjoyed food and games while learning how to be safe and correct on their bikes or scooters. Bicycle safety was not the only thing covered, internet and water safety was also covered. Stanger danger, was taught and information was also given on DNA life kits.

## Mesa View Student Clubs

Here at Mesa View Middle School there are many clubs for you to join. One club for anyone who likes basket ball is the basketball club, They meet Mondays and Wednesdays at B Lunch and after school every other week. Another club here is CJSF/Builders

club, There last event was helping with the School's 5K. One Club for people who like old myths and legends is the Mythology club right now they are learning about ancient Egypt, They Meet on the first and third Wednesdays in C-105. One Last Club we have here for any

runners out there is the running club. The running club just began training for Mesa View Mustang Run on Saturday March 1.

## Run With The Mustangs 5K Winner!

Last Saturday 483 people ran the 5K but the winner at of all the hundreds was eighth grader

Jarret Dinnauer. Jarret ran the race with a time of 20 minutes and 9 seconds beating the second place

winner Mr. Gordon who had 21 minutes 14 seconds, winning by 1 minute and 5 seconds.

# Run With The Mustangs 5K Run/Walk

*Run with the Mustangs*  **5K**  
Saturday, March 1, 2014 @ Mesa View Middle School & Kid's Run

On Friday after school anyone who was participating in the *Run With the Mustangs 5K* went for the Run With the Mustangs Pick-up in the Gym from 2:00-4:30 pm. The

next Saturday morning all runners went to Mesa View Middle School at 8:00 in the morning to start the 5k run/walk. This race still occurred despite the rain prior to and during the race

that caused the dirt track to be very muddy, but provided a good running temperature. Over 400 ran the 5K that went on for a little over an hour. To see the results and your placing if you ran the race, on the Mesa View website homepage.

## 2014 Run With The Zombies

This Saturday March 8<sup>th</sup> is Wildwood Elementary's 2014 Run With The Zombies. Racing all changes when your running from zombies. In this race your speed, agility, and endurance is all tested. Your goal is to

finish this race with one flag still on your belt while avoiding the zombie infestation. Registration is \$20 for adults, \$15 for kids 5-12 (runner or zombie), \$80 for

teams of 4/5 , and \$25 to be a zombie and chase the runners. There will also be food and music. At 1 pm awards will be given to Runners, Zombies, and teams. For more information go to [http:// theyucaipaexperiment.weebly.com](http://theyucaipaexperiment.weebly.com)

## Mr. Bennet—the Art Teacher

Mr. Bennet is the art teacher here at Mesa View who teaches Art and Ceramics and 3D Design. Mr. Bennet was born 1955 in Illinois. He likes to teach by making the assignment interesting. He wanted to become a teacher so he could learn the hard way without the assistance of others teaching him. He has had

hundreds of his art pieces published and displayed. One of his lessons was on a Georgia O'Keefe piece and students learned about flow-

ers and water color. His influence was his teacher in high school. His biggest challenge is with misbehaving students. His biggest accomplishment was getting his art pieces published. Mr. Bennet painted the STEM memorial in the quad and in high school he did landscapes and portraits.
