Sam Schmitt— Student Highlight

Sam Schmitt is one of the mountain bikers that represented us at the mountain bike race on April 26 he came in one of the top places. The bike he rode was a Sette hard tail mountain bike. He has been doing it for 7 years and on the Yucaipa mountain bike team for 1 year. He loves doing it because it is fun to do. After school he likes to ride his bike out and about. If you see him thank him for representing Mesa View and don't forget to thank the others Ryland, Turner, Ethan, and everyone else who participated in this event.

Mr. Saavedra—Staff Highlight

Our staff highlight today is Mr. Saavedra, also known as Jonathan Saavedra, was born in San Dimas, California. He has one dog named Boomer, and some activities that he does outside of school is rock climb, play basketball, and see friends. Mr. Saavedra went to San Diego State for college, and the most memorable thing that ever happened in his life is that he hiked the John Muir trail. He became a teacher because he likes working with kids, and he also likes math. Mr. Saavedra has 2 siblings: one older sister and a younger brother. If he had the chance to teach any other subject besides math, he wouldn't because he likes math the best, and he is also really good at it. He also is the instructor for Basketball Club. Go Mr. Saavedra!
