Band Concert

Great job to all the students in the Mustang Band who participated in the Mesa View Spring Concert! It was an amazing way to show off their talents and what they have been learning this year! A big thank you to Mr. Kane for supporting and teaching these magnificent students. He has made their year memorable and fun for them.

Pictured above is the Mesa View Middle School band. Good job on your performances!

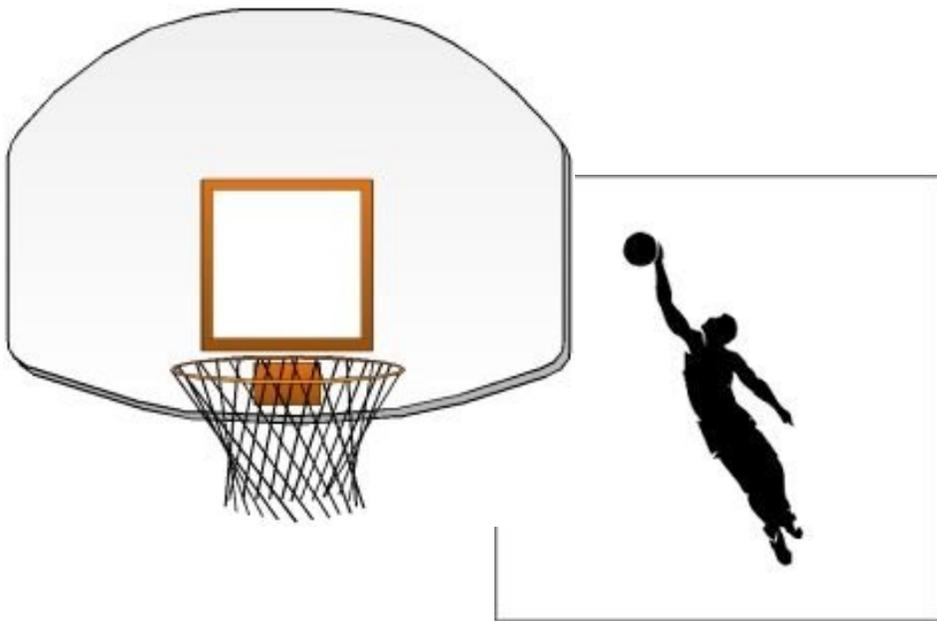

Quote of the Day

“We may do many things, but we are to do nothing without an influence...”

David Parra

- MV vs. PV Basketball Game

Mesa View vs. Park View Basketball Game!

Last night was the Mesa View vs. Park View basketball game. It was held at Yucaipa High School on May 1st from 6-8:00pm. Congratulations to Park View who won the boys game and Mesa View who won the girls game. Better luck next time Mesa View boys! A special thanks goes out to Mr. Saavedra and Frank who guided and supported this Mesa View team. Once again congratulations to both middle schools!

Awards Night!

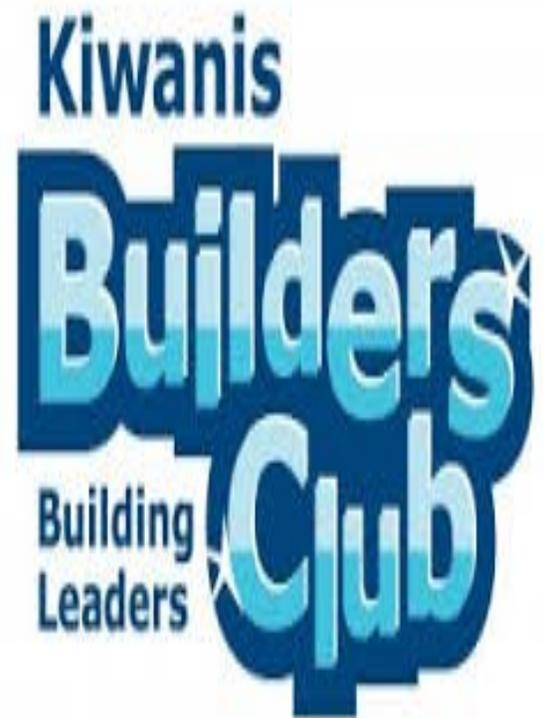

Awards Night is coming up on May 6th! This is for the 8th graders who are taking a big step in their lives. They are going off to Yucaipa High School next year to be in 9th graders! (Note that this is not for students who

have more that one "F" in their grades.) It will be held in the Mesa View Middle School MPR. Congrats to all who will be coming to the Awards Night!

Don't Miss Out!

CJSF Builders Club - the next meeting is on Wednesday May 7th, 2014. CJSF members, don't forget to participate in the new fundraiser presented on April 30th. You will be selling pastries to family members, friends, and teachers here at Mesa View.

Note: All students are still welcome to join this wonderful service club! Talk to Mrs. Pennino for information on how to join, requirements, and dates! Don't miss out!

Alonso Huerta

Alonso's thoughts before the PV vs. MV basketball game was that the Mustangs were going to win. "I enjoyed cooperating with my team members and getting an assist." His reactions changed later in the evening. "I got scared when the Park View members came out because there were a lot of tall people." By the end of the game, "I was angry so I ripped my shirt to show my anger... but yeah, I did have fun." Congratulations to both Mesa View and Park View for their

Alonso Huerta played hard in the basket ball game and represents Mesa View Middle School.

Mrs. Flowers

Mrs. Gwen Flowers enjoys being a teacher and has enjoyed it ever since she started teaching. Mrs. Flower says her favorite part of being an English teacher is "listening to the conversations that the students have in the small groups as well as with myself.

"I love seeing the kids receive a deeper knowledge and apply it to their learning." Mrs. Flowers has been an English teacher for three years, though she has been a teacher for fourteen years. She decided to transition from Elementary School to Middle School to "try on a new hat." She found it important to try new things and

test herself.

"In your career, you want your own challenges and to test yourself... I had to learn again and I enjoyed that." In addition to trying something new, she had always enjoyed school. Being an only child until ten, Mrs. Flowers would be "School" with her friends. She comes from a background of educators and she says that it has defiantly helped in her career. She enjoys her career as an English teacher.
