

Mesa View Magazine

BY: JENNIFER & MEGAN T.

On May 9th Mesa View will have its last dance of the year located in the multipurpose room. The theme will be 80's throwback starting at 6:00 pm and ending at 8:00 pm. Each ticket costs \$5. They can be bought at lunch NOT at the door. Have fun!

On Wednesday, April 9th, a group of 7th grade students from Mrs. Logsdon's science classes were able to visit the "Body's Exhibit". These students were able to look into the body's systems such as circulatory, skeletal, muscular, digestive, and more by getting glimpses of actual bodies.

On Thursday, May 1st, the Mesa View basketball teams competed against Park View's teams. This took place at Yucaipa High School's gym. The girls started off and won with a quick lead, but the boys weren't able to as well. Good job to both teams for trying their hardest and representing Mesa View.

Summer is almost here— that mean summer camp options are available to all students. If you are interested, visit the link on Mesa View’s homepage. This camp is located in Palm Springs. The camp is mainly for middle school students. It also has a STEM– related focus. Sign up today!

The band concert is right around the corner! Come watch Mesa View students and other students from all around the district show off their musical talents. This will happen on May 9th, 2014 from 7:00 PM to 8:00 PM at YHS. For more details, visit the Mesa View website.

The Renaissance faire is less than two weeks away! All 7th graders participate in this event happening on May 16th, 2014, all day. 7th grade students have the opportunity to experience food, dances, and fun activities the way they did during the Renaissance. Make sure to also wear appropriate clothing for this day!

Staff Highlight

Sadly, we are loosing one of Mesa Views best teachers. Mr. Saavedra is moving to Washington DC. What he will miss most about MVMS is the school sports and awesome staff. What he looks forward to most about DC is the beautiful environment and outstanding history. When he moves he will teach middle school, high school, or be a private tutor. So either way, kids in Washington will get to experience the fun and enjoyable teaching style of Mr. Saavedra. When asked what he would like to say as a goodbye to all his students he said: "Thank you for allowing me to be your teacher, I really enjoyed it (most days). I wish you all the best in the future. Math rules the world! :) ". GOOD-BYE MR.SAAVEDRA!!!!
