Staff Highlight

Sometimes at school, students tend to overlook how important and vital their staff is, and how hard they work. Here at Mesa View, we would like to recognize one of our very own, Ms. Better

She is a seventh and eighth grade history teacher. She can be one of the toughest teachers in the school, but when you ask her for help, she is very obligated to. She helps her students with educational problems, and personal ones as well. She loves to help anyone she can inside and outside of work. She is a very wonderful teacher, and an amazing person.

Student Highlight

The student highlight for this week is our very own Turner Conway, who got first place in the expert division on the Yucaipa High School Mountain Bike race. Turner is a seventh grader and is in the mountain bike club at Yucaipa High school.

Happy Mothers day!

Upcoming Events

The 8th grade CST's are this Thursday and Friday. This is the test that will count, so do your best. Tips to getting a good score would be studying and getting a good nights sleep and a healthy breakfast.

CJSF/Builders club would like you to support them in their fundraiser of Butter Braid Pastry . Pastries are \$13 each, and the fundraiser will last 3 weeks and delivery's will be made by Monday, June 2. For any questions, please consult Mrs. Pennino in room F104.

Mesa Views Boutique is a huge success from the start! If you or a friend need some new clothing or accessories to finish out this school year, please tell your English teacher or counselor so they can set up an appointment.

Do you want to join WEB? Then it's time to consult Mrs. Wilson in room H104 with an essay about why you want to join.

Don't forget that mothers day is right around the corner! Mothers day was created in 1908 as a day to honor one's mother (and it was made a national holiday 100 years ago by President Wilson in 1914).
