Mrs. Gregory in her 2013 year

Staff Highlight

Our staff highlight for this week, and even this year would be Mrs. Gregory. She has been an awesome teacher to all of her students and has continued to teach us not only about technology, but useful life skills as well. A big thank you to Mrs. Gregory for making our final year at Mesa View something special!

Mrs. Gregory teaches Tech Literacy to 7th and 8th graders at Mesa View, and Digital Media to 8th grade exclusively. She has been very patient with all of her students over the course of this year, and is no doubt a very cool person.

Student highlight

Our student highlight for this week is Anastasia Zacky. She is an eighth grader this year, and she does student council. Early this year our school had a talent show. She had a tough competition, but she was able to win first place with her talent of being an amazing dancer.

These are the type of shoes Anastasia Zacky wore when she was dancing at the talent show

Summer Camp Option

With Summer right around the corner, summer camp options may be something to consider. If you are interested in the SMaRT Education Camp in Palm Springs, please email Patricia Menchaca at pmenchaca@craftonhills.edu

The 80's dance on May 9 was a big success, and a big thanks to student council for setting up and hosting the event. Far out dude!

Sydney S., Peyton S., Vivianna B., Anne S., Serena C., and Hannah A. rockin' out their Eighties gear. Gnar dude!
