

# Mesa View Daily

## Da Vinci Day

Da Vinci Day is on Leonardo Da Vinci's birthday and in his honor of his inventions. You have to get in a group with your friends and build on!!!

Best blue prints wins a gift card. Leonardo Da Vinci was a famous writer, inventor, and artist. He was a an important person in our lives.

This is a portrait of Loenardo Da Vinci

The teachers give you an idea and you have to recreate it and make it again. The team with the best invention wins a trophy and gift card and the team with the best invention.

## Soccer coming to Mesa View..!!

At Mesa View there are going to be Soccer tryouts held down at the bottom of the field. There are going to be boys and girls tryout. The boys

tryouts are on Tuesday and Thursday, while the girls tryouts are on Wednesday and Thursday. The first soccer game is April 16!

Soccer	1
Fundraiser	2
Renaissance fair	2
Preview night	2

## Fundraiser for Cancer

Mesa View will be holding a fund raiser for cancer. Anyone who brings \$25 dollars will be able to ductape our very own principal Mr. Stolzes to a wall! Other events that will be held during that day will be the dunk tank and teachers will be dressing up and others

will be getting hit with water balloons. These events will be taking place in the quad. Every teacher will have their own theme. Mrs. Fountain will be letting kids through water balloons at her, Mr. Munoz will let students style and color his hair, beard, and eye-

brows, Mrs. Weaver-Beal will also be coloring her hair. Ms. Betters will be giving a motivational speech in the quad, Mr. Peters will dye his hair white with different colored spikes, Mrs. Hewitt will be dressing up like a person from the 80's All of these things will only be possible if the donation goals are met.

## Renaissance Fair

The Renaissance Fair is a day where you feel like your in the 1800's and you have to dress up. This event will be held for 7th graders, but after school you can go see the jousting going on

down at the field. Some 7th grade teachers will stay for kids who don't want to join the fun or they forget to turn in the permission slips. There will be games and you will have to dress up for

this special event. Their will also be a big feast in the MPR and they will be watching a movie during it.

## Preview Night

Preview night is for fifth graders who are coming here for sixth grade, sixth graders turning into seventh graders, and seventh graders turning into Eighth graders. The kids would be

able to talk to the teachers, principal, and vice principal to get ready for the school year.

## Snow Cones

Snow cones will be sold by Mrs. Betters classroom after school. They are sold in over five different flavors, and you can mix the flavors. They are sold for \$2.00 and if you just want ice that is \$1.00.

## Saturday School

Do you have Missing work, or too many absences? Then Saturday school will help. You can come here with or without an invitation and get all your work done. Saturday school is from 8:00 A.M. to 12:00 A.M. There is a fifteen minute break to eat or hangout.

Some teachers will stay and some teachers will not go to Saturday school. Saturday school is a place where you can get help with your work if you are having trouble with it.

## Last dance of the year

On May 1st the last dance of the year will take place in the MPR. This is the last dance so buy your tickets at lunch A or B for \$5. The dance will be held from 6:00 P.M. to 8:00 P.M.

The dance will have a D.J., food, drinks, and you could buy pictures of you and your friends. You can buy glow sticks, necklaces, bracelets,

glasses, and glow in the dark clip on earrings. The dance will have different kinds of music such as, rock, slow dances, and pop.

## Earth Day

Earth day was founded in 1970 as a day of education about environmental issues. Some people don't use electricity for a long amount of time for this day.

In New York City, Mayor John Lindsay closed off a portion of Fifth Avenue to traffic for several hours. Mesa View cleans its campus and encourages students to take

care of the planet. In 1990, Earth Day went global, with 200 million people in over 140 nations participating,
