## MVMS Masquerade Dance

On Friday, Mesa had their first Masquerade Dance. This dance was an opportunity for students in all grades to dress more formal and wear a simple mask. The mask could not cover more than your eyes and nose.

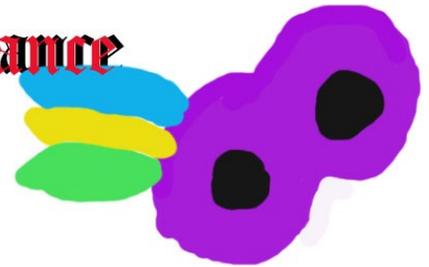

Many students came to the dance. The tickets are \$5 each and you could also buy a mask for \$2 - \$4.

You didn't have to wear a mask, but it was more fun for those who did.

There was also refreshments, such as sodas and snacks, as well as chocolate bars.

Students were able to request a song. The most popular requested song was

*Masquerade Dance*

Thriftshop by Mackelmore & Ryan Lewis. They played one slow song, where most everybody danced slowly with their friends.

## STAR Testing Preparation in Progress!!!

Austin went on the field trip as chaperones.

Students got t-shirts and a activity bag.

## What Students Think About the Clubs at MVMS

Mesa View has many clubs during lunch and after school. Lunch clubs include Alive Club at B lunch and the Soap Box Derby Club during both lunches and many more. After school clubs are clubs such as Builders Club with Ms. Pennino, and Bas-

ketball Club with Mr. Saavedra and others as well.

Student Natalee Mendez decided to join Builders Club last year. "I decided to join Builders Club because it gives you a good scholarship and looks good on your résumé." She

feels that Builders Club is the best club at the school because it helps kids and the community.

8th grade Student Hayley Angle started an Alive Club at the school during B lunch.

"Alive Club is definitely the best club at the school. We are student run club that lets Christians have a place to gather.
