A True Mustang!!!

Did you race the 5k? Many of our fellow Mustangs participated, with Tanner Dutchover finishing first at 17:41! Now that's fast! Everyone did a fantastic job, and we are proud of you all. So what does Tanner say about the race? Well let's find out!

Q: Were you expecting to be the first person to finish the 5k?
Tanner: No. I was really surprised!

Q: What time did you want to finish the race?

Tanner: By 18 minutes. I thought

that was a good goal.

Q: Do you enjoy running? Is it a hobby for you?

Tanner: Yes. It is a part of my life.

Yucaipa Gets Clean Air Award

Yucaipa was selected as the clean air award for 2012! Remember to clean

up and recycle to keep our planet clean! Did you know that if every American recy-

cled just one-tenth of their newspapers, we could save about 25 million trees each year? Even little things make a difference!

Knott's Trip!

This coming Thursday is the eighth grade Knott's Berry Farm Physics day ! Turn in your permission slip today! It will be an action packed trip where we will record time trials.

I can hardly wait!!! Tuesday is your last day to turn it in or you definitely will miss out! You possibly will have to spend an entire day with teachers. Yaaay. (KNOTT) So make sure you turn in every-

thing needed to have a day of fun and games! Make sure you bring a sack lunch, or money! (Knott's is very overpriced, so come prepared!) Hope to see you there!

Catalina!

Recently the 6th graders went on a Catalina field trip to the Catalina Marine Institute. They went snorkeling, kayaking, hiked trails, and even dissected squid! It sounds

like an exotic paradise, where they have fish and even buffalo!

"I wish I could go!" It sounds like an amazing experience where they

will have made many fun filled memories. I hope you had fun sixth graders!!!! Thank you MVMS for making this happen!

CJSF

Do you want to help our school be a better place? "I sure do!" If you join CJSF, they meet on Wednesday s

after school. So you may ask, 'What would I do in CJSF?' You clean up the trash, and help out at whatever is

needed. Also, CJSF looks very exceptional on your college resume. Please attend!

Remembering Jeremiah Mackay

Jeremiah Mackay was a police officer in Yucaipa. He is remembered for his heroic actions. As some of you may know, he was shot by Christopher

Dorner. He deserves respect and honor for what he sacrificed for the safety of others. Remember him for his loyalty to the S.B.P.D. He will be in our prayers.

Harlem Shake!

This Wednesday Mesa View is finally recording our first ever Harlem Shake video! There will be one for both A. and B.

lunches. Make sure to bring wacky costumes/objects to have in the video! School dress code applies. Both videos will be put

on the Mesa view website shortly afterwards. Make sure to bring your best dance moves!
